

Functional Genomics Symposium “Big Data to Clinic”

08-10 December 2018

Location: Qatar National Convention Centre, QNCC, Doha

WHY EXHIBIT?

The Functional Genomics “*Big Data to Clinic*” Conference and Exhibition will provide an exceptional opportunity for exhibitors to uniquely position themselves and showcase their products and services to their target audience and markets of experts from all over the MENA region. It could also establish strategic partnerships with stakeholders within Qatar, as well as globally, to maximize the impact and the outcomes on education and medical research. As an exhibitor at the symposium you will be able to reach an international audience of key researchers, clinicians and healthcare providers and enhance your company profile in a fast growing regional market.

Coffee breaks and lunches will all take place on the exhibition floor promoting frequent networking opportunities for the delegates to visit your exhibit in prime locations and engage with your brand.
